

DID YOU KNOW?

By Treasurer Debra Weyers, Class of 1979

A fun bit of history...In 1983, James DeVaney, who worked as a Dean of boys' dorm and an NSD alumnus of the Class of 1956, had the idea of teaching boys and girls how to form committees, assign duties, and run the dance events held in the Fall and Spring. These events, called GAD (Girls Annual Dance) and BAD (Boys Annual Dance), gave students an impressive level of responsibility. It was formed in 1983, and the specific date when it stopped was unknown. (Photos are from Amy Willman's.)
