

# Tiger Pride

Photo Collection

By President Amy Willman, Class of 1987

Happy Birthday to the **United States of America!**  
 250th birthday—the semiquincentennial  
 Back in 1976, elementary students performed to honor  
 America's Bicentennial. At the same time, teachers in  
 the primary building created a beautiful bulletin board  
 display. Wish the pictures were in color, but bulletin  
 boards were mostly in the bicentennial colors.
