Interview with Mack Weyers, the last student who enrolled at NSD

1. What was your favorite subject? PE

2. Who was your favorite teacher and why? Ann Eckberg was my favorite art teacher because she always knows how to brighten any student's day and has such a charming personality. She helped me discover more of my artistic talent and improve my artwork.

3. What's your funniest or most memorable school/dorm moment? James Devaney said I needed a haircut and told me to come sit down so he could cut my hair. I told him I might need to ask my parents for permission first. He said, "I am a barber, and I know your parents very well. They will love it! Cut your hair to stay handsome like your dad," and then he pinched my ear. After the fresh haircut, I smiled.

4. When you were a kid, what did you dream of becoming? Animal Veterinarian or Archaeologist

5. What is your favorite color? RED (Go Big Red)
